

**THE CEDARS
SCHOOL**

Sports Scholarships

SPORT AT THE CEDARS

Sport is a vital part of school life at The Cedars and plays a pivotal role in character formation. The core sports are Rugby, Football and Cricket, with each boy receiving two Games afternoons a week and two PE lessons. The PE programme of Baseball, Cross-country, Gaelic Football, Handball, Lacrosse, Orienteering, Table Tennis, Ultimate Frisbee and Vortex, has been designed to directly complement the core sports to provide continuity throughout the year and to ensure boys reach the desired performance level by the time they represent the 1st teams.

The school has excellent sports facilities comprising of three rugby pitches, three football pitches and two cricket ovals. Further development of the school site is underway to add an all-weather astro-turf playing area.

The Cedars School, in partnership with Real Madrid Foundation, Sport for Unity has set up the Real Madrid Foundation Social Sports School South London.

SPORTS SCHOLARSHIPS

Scholarships may be awarded to boys who show significant ability in Rugby, Football or Cricket. We expect potential candidates to be selected in national, county or representative teams. Selection to sporting academies is also seen as an equivalent, however, selection for trials are not seen as such.

A strong academic profile is necessary along with sporting commitment to the school. Sports scholars must display the school's aims and ethos. Fee remission varies according to a candidate's all-round suitability for the school, as well as sporting prowess.

Potential candidates for sports scholarships need to pass the school's entrance assessment.

Candidates will be invited for a physical performance assessment, which will comprise the following:

Fitness Testing

Spatial Awareness and Ball Skills

Core Sports Test
